

The Palm Haven Hotel welcomed the cast of Shakespeare's Globe Theatre to their oasis as the thespians prepared to deliver a stellar

performance of Hamlet on Tuesday, 9<sup>th</sup> September 2014.

The cast was welcomed with cool peppermint scented towels and Palm Haven's original welcome cocktail with the

hope that the hotel was able to set the scene for the cast's brief stay in St. Lucia.

The cast was pleasantly surprised and quite elated when they returned to Palm Haven following their performance and

discovered a local parting gift placed delicately on each of their beds.

Palm Haven indeed went above and beyond to ensure that every moment of the thespians short stay became a cherished memory.
